RJE Protocol Meeting

There will be a meeting to discuss Remote Job Entry (RJE) protocols in the ARPA Network on Friday 21 April 72. The meeting will be held from 9:30 a.m. to 5:00 p.m. in room 2412 of the Ackerman Student Union Building at UCLA.

Prospective attendees should contact Bryna Lang at (213) 825-2368 to confirm their attendence.

Attendees should also be familiar with the previous work on ARPANET RJE protocols, in particular the reports by McKenzie (25 Feb. 72) and Kampe (8 March 72) from the previous RJE meeting. Note that the Data and File Transfer protocols are also relevant.
